## A 10-SESSION EXPERIENTIAL GROUP *on* CONSCIOUS MANIFESTATION *with* KAREN THOMPSON, PH.D. & VALERIE MALONE, CERTIFIED COACH & RYT

LEAP IS A SPECIAL GROUP LEARNING OPPORTUNITY created for those who choose to TAKE THE LEAP and make a Master commitment to living their most magnificent lives.

The next LEAP Group will meet starting in February through April of 2012 for three evenings per month from 7:00 to 8:30 pm. LEAP requires members to make a three-month commitment to learning and expanding within an inspired group of creative and committed learners. The energy of LEAP will be highly-charged and it is our intention for each group member to realize at least one, if not several, of their intentions during this time period.

And, as the facilitators, we commit to teaching as much as we can about CONSCIOUS MANIFESTATION. We will utilize the book *The Big Leap* by Gay Hendricks as well as other great works that we've come to value along the way. A packet of materials will be provided at the first meeting, and three books will be provided after the first meeting.

The fee for LEAP is \$600, paid in advance. Missed sessions are not credited. We intend for our time together to be fun, inspiring, cutting-edge AND grounded in real-world results!

To enroll, contact Karen by phone at 512.391.0426 or email at [karen@ktphd.com](mailto:karen@ktphd.com). We look forward to working and manifesting with you!
